Directions from Reno to Hawthorne and Sky View Academy

From the airport or car rental, follow the signs to merge onto I-395 North.
Stay near the right hand lanes and watch for the exit to I-80 East, Sparks.
You will exit 395 onto 80.
Stay on I-80 to the first Fernley Exit, approx. 30 miles, and take it into the town of Fernley.
Watch for the sign for highway Alt-95 and turn right onto it.
Your next town will be Silver Springs, approx. 14 miles.
You will come down a hill to a four way stop at Silver Springs. Continue south; straight through the four way stop.
You will continue on Alt-95 through Wabuska at about 22 miles from Silver Springs.
Your next town is Yerington where you will take a sharp turn left to stay on Alt-95. Do not go onto either highway 339 or 208.
Continue West on Alt-95 to Schurz, 24 miles from Yerington. You will take a turn to the right that merges you onto Highway 95.
Continue 33 miles to Hawthorne. You will see Walker Lake on your left and travel through the town of Walker Lake before reaching Hawthorne.
As you enter the Hawthorne area, you will pass the Army Depot on your right and the gate into that facility. Continue on Highway 95 and look to your right. You will see a two-story building being demolished on your right side back from the highway. Pass by it and take the first right turn off Highway 95. You will see Sky View Academy on your right side. Drive past the front of the building and pull into the parking area on the south side. Welcome.
